Established in 2004, the ICDCIT conference series has become a platform for Computer Science researchers from India and all over the world to exchange research results and ideas on the foundations and applications of Distributed Computing and Internet Technologies. Increasingly, such technologies enable individuals and organizations to jointly engage in the production, processing and dissemination of knowledge.

The 7th International Conference on Distributed Computing and Internet Technologies (ICDCIT – 2011) will take place in Bhubaneswar during 9 – 12 February 2011. It will be co-organized by KIIT University, Bhubaneswar, India and Centre for Electronic Governance, UNU-IIST, Macao. Like the last six editions, the proceedings are expected to be published by Springer in the series of Lecture Notes in Computer Science.

SCOPE:

The list of topics addressed by ICDCIT includes, but is not limited to:

Submission Site Opens : 1 June 2010

Submission Deadline : 15 July 2010

Decision Notification : 1 October 2010

Final Submission : 1 November 2010

Paper Submission:

ICDCIT 2011 invites submissions of research papers containing original contributions to the foundations and applications of Distributed Computing and Internet Technology. The papers must not be published or being considered for publication by any other conference or journal. All submitted papers will be reviewed by the Program Committee. In order to appear in the conference proceedings, accepted papers must be presented at the conference by one of the authors.

Papers must be written in English and should not exceed 12 pages, prepared according to the LNCS style in LaTeX or Word and submitted electronically in PDF format through the conference submission portal at EasyChair. Submissions received after the due date, exceeding length limit, or not structured according to the provided templates may not be considered for review.

The proceedings of the last six editions of the conference have been published by Springer in the Lecture Notes on Computer Science series.
