

Call for Technology Demonstrations

4th Annual IT&T Conference
20th – 21st October 2004
Limerick Institute of Technology, Ireland

Calling on Researchers and Industry Representatives seeking to profile their research or demonstrate their leading edge/latest technologies at this year's Annual IT&T conference.

Exhibition space will be provided for live demonstrations of technology offerings on the 20th October, 2004.

The conference is interested in receiving demos on a broad range of themes such as;

- Wireless, Mobile and Satellite systems
- Ubiquitous Computing
- Advanced Data Networking
- Services and applications
- Security

3rd Level Researchers and Companies are invited to send a short summary of their project/technology using the following headings.

Outline Document

- 1 Page Maximum
- Title of Technology
- Short Description
- Innovative Aspects
- Suggested Demonstration Method

Please mail a short outline of your technology area and its application to it&t@tecnet.ie
Entries must have creative impact and innovative characteristics.

Key Dates

- Deadline for receipt of outlines of technologies/research demos
 - September 3rd 2004.
- Notification of acceptance
 - September 10th 2004.
- Deadline for Conference registration
 - 1st October 2004.

***Please note:** Industry representatives that demonstrate live will also receive a special discount on stand space, if required, in the formal exhibition hall.
