LEFIS Study Programme Review

A) Identification

1 * Name of the Reviewer

2 Name of the University
Reviewed

3 Name of the Course
Unit

4 Type of Course

5 Level of the Module/
course unit

7 Number of ECTS Credits

8 Prerequisites

B) Course

b.1 In what year did the
course begin?

b.2 Was the course a
completely new
development or was it
a revision of a
previously existing
course?

b.3 Was the current court
teaching team the
same team which
created this course?

b.4 Have there been any
particular problems
associated with this
course which arise
from its linking of
technology and law (e.
g. opposition from
colleagues)?

b.5 Do you plan to make any major changes (focus, optional/ compulsory etc.) within the next two or three years? If so, what are these? Why?

b.6 What is the nature of the course – for example, teaching substantive law, interdisciplinary studies, teaching lawyers about technology?

b.7 Do you use only the traditional methods of lecture and seminar? If not, what teaching methods do you use which might be of interest to colleagues in Lefis? For example, computer mediated coursework, group work, etc.?

b.8 How do you examine?

By continuous assessment.
 By examination.
 By one single piece of work.
 Other

b.9 What technical environment is available to students (e.g. Blackboard)?

c.1 If one is available: have you found any difficulties in students using this technology?

c.2 If one is available: what are the main advantages you have found in the use?

c.3 If one is available: do you think that e-learning tools have helped in your teaching? If so, how?

c.4 **Can you provide a rough makeup of nationality of your students?**

c.5 **Do any of your students arrive on exchange programmes such as Socrates? If so, roughly how many?**

c.6 **If you have carried out surveys of students as part of the course evaluation, do these surveys show why students opt for this course?**
